Business:

Field Day was a success, with good weather.

Kevin brought up an issue with getting the lift. It has been generously donated to the club for Field Day use the past three years, but the owner is taking a serious financial hit in providing the lift, and is not getting adequate publicity to compensate him. The commercial fee would be $500, with the cost to the business of approximately $250.

KF0HOI made a motion to write a check for $250 for this year's use of the lift and to negotiate a fee schedule for future years by 9/1, seconded by N0UW. That motion passed.

Motion to Adjourn by K0GNH, seconded by KF0HOI. Meeting adjourned at 9:22 AM. A roundtable followed.

Respectfully submitted by K0VO.
